

Saltzer Medical Group takes pride in the communities it serves. Sponsorships of events that matter to you are important to us as well.

In 2008:

Saltzer partnered with the Nampa Police Department to acquire McGruff the Crime Dog. McGruff allows NPD to reach out to thousands of children in a pro-active crime prevention role. McGruff is a robotronic character that is able to move, speak, sing, and squirt water at the crowd. Watch for McGruff at the next community event you attend in Nampa.

Sponsorship of Health Fest, a Nampa Chamber of Commerce event, where over 2000 attended and found all sorts of information concerning their health. There were all types of health screenings and information on health for everyone from your baby to your grandma.

One Armed Bandit. If you attended the Snake River Stampede you couldn't miss him. His act was sensational. A one armed horseman moved about the arena using nothing but leg pressure to maneuver his horse, and eventually load buffalo onto the top of his livestock trailer. It was an amazing show, and Saltzer was proud to bring it to you.

Hot Chili Nights, put on by the Lions of Nampa, Saltzer was the second place sponsor.

Movie Under the Stars was also a lot of fun. Sit out under the stars with a couple hundred of your best friends, eat popcorn and chocolate, and enjoy a great movie, this year it was Charlie and the Chocolate Factory, we can hardly wait to see what next year brings.

Sponsorship of a Meridian Chamber luncheon, and Meridian soccer program were also highlights of our year.

National Day of Play is a national day that encourages children to go outside and play. Saltzer is proud to be partnering with SLIERS to install special play equipment so all children can play in our local parks.

This is just a sample of some of the things we are doing, thank you for allowing us to be a part of your community.
