

**SALTZER MEDICAL GROUP
PATIENT PORTAL TERMS AND CONDITIONS**

Saltzer Medical Group ("SMG") is pleased to provide you with the ability to access different parts of your medical record by using our Patient Portal ("Patient Portal"). By requesting such access and an account with Patient Portal, you agree to the following terms and conditions. Please note that your failure to comply with these terms and conditions can result in the termination of your account with Patient Portal.

1. ELIGIBILITY

In order to participate in Patient Portal, you must be 18 years of age or older. You must also be an active patient of an SMG physician.

2. USE OF PATIENT PORTAL

By your request to participate in Patient Portal, you understand and agree to the following:

(a) Patient Portal is intended as a secure online means for you to access your confidential medical record information. Please note that if you share your Patient Portal user name and password with another person, this will allow that person to see your confidential medical record information. SMG has no responsibility concerning any breach of your confidential medical record information due to your sharing or losing your user name and password.

(b) You must select a confidential password and maintain that password in a confidential and secure manner. If you believe that the confidentiality of your password has been compromised, you should change to a new password by following the procedures described in Patient Portal.

(c) Patient Portal is not a substitute for proper examination or treatment. If you should experience an emergency medical condition or otherwise need medical care, you should immediately seek appropriate emergency or other medical care.

(d) You will use Patient Portal only as permitted and not attempt to harm or circumvent any of its security features or use Patient Portal for any purpose other than as described in this Agreement.

(e) Patient Portal is provided as a convenience to you. SMG has the right to terminate your Patient Portal access at any time for any reason. This may include situations in which SMG determines that continued access to Patient Portal is not appropriate.

(f) Participation in Patient Portal is entirely voluntary and you are not required to use Patient Portal to receive care from SMG. SMG will not condition its treatment of you on any requirement to participate in Patient Portal.

(g) Patient Portal provides access to different parts of your medical record, but not the complete medical record.

3. PROVISION OF SERVICES

(a) Patient Portal is presently provided free of charge, but SMG reserves the right to charge for Patient Portal services in the future. Should such a charge ever be introduced, anyone with a Patient Portal account would have the option to discontinue the service.

(b) SMG will use all efforts to keep Patient Portal free from error, but SMG cannot guarantee the completeness, accuracy, or adequacy of Patient Portal information. SMG cannot guarantee Patient Portal itself will be fault-free, but SMG will attempt to correct reported faults in a reasonable time frame.

(c) SMG reserves the right to change Patient Portal from time to time. SMG may also suspend or terminate Patient Portal at any time.

4. PRIVACY POLICY

(a) SMG is fully committed to complying with all federal and state laws and regulations concerning the confidentiality of medical record information. Our HIPAA Notice of Privacy Practices can be found at:

(b) SMG may use Patient Portal data without further authorization from you to the extent allowed by law and consistent with SMG's Notice of Privacy Practices, including but not limited to uses or disclosures as part of SMG's educational activities and programs, and for certain research purposes.

5. SECURITY

Patient Portal is protected using industry standard security measures. While we believe that the security measures will reasonably protect your information and use of Patient Portal, we cannot guarantee such protection. If you have any concerns regarding the security of your information or the use of the internet to access your medical record information through Patient Portal, you should consider not creating a Patient Portal account.

6. DISCLAIMER

(a) SMG WILL ATTEMPT TO PROVIDE PATIENT PORTAL WITHOUT INTERRUPTION, BUT ACCESS IS PROVIDED ON AN "AS IS AVAILABLE" BASIS. SMG DOES NOT GUARANTEE THAT YOU WILL BE ABLE TO ACCESS PATIENT PORTAL AT ANY TIME OF YOUR CHOOSING. SMG CANNOT GUARANTEE THAT PATIENT PORTAL WILL BE ERROR-FREE. SHOULD YOU HAVE CAUSE TO BELIEVE THAT YOUR INFORMATION ON PATIENT PORTAL IS NOT ACCURATE OR THAT THERE IS AN ERROR WITH PATIENT PORTAL, PLEASE CONTACT YOUR PHYSICIAN'S OFFICE IMMEDIATELY. SMG RESERVES THE RIGHT TO TERMINATE YOUR ACCESS TO PATIENT PORTAL AT ANY TIME WITHOUT CAUSE OR NOTICE.

(b) YOU AGREE THAT SMG TAKES NO RESPONSIBILITY FOR AND DISCLAIMS ANY AND ALL LIABILITY ARISING FROM ANY INACCURACIES OR DEFECTS IN THE INFORMATION, SOFTWARE, COMMUNICATION LINES, INTERNET OR YOUR INTERNET SERVICE PROVIDER ("ISP"), COMPUTER HARDWARE OR SOFTWARE, OR ANY OTHER SERVICE OR DEVICE THAT YOU USE TO ACCESS PATIENT PORTAL. ADDITIONALLY, YOU ARE RESPONSIBLE FOR PRINTING COPIES OF YOUR INFORMATION IF YOU WANT TO HAVE THE INFORMATION AVAILABLE IN THE EVENT THAT PATIENT PORTAL IS UNAVAILABLE.
